## *Breakaway Banners - Re-usable - Run Through Banner*

Show your school spirit with an ETP break away banner! Our banners are customized to your individual needs and preference. In size, color, weight and more! We have been in the business for over 10 years and continue to be on the cutting edge of technology. Now you can have your banner printed through a 4-color processor. Or if you prefer the traditional look you can opt for the 1 and 2 color vinyl cut lettering. Whatever your preference, we have the answer!

Our 8 x 12 foot, 13 oz durable sign features a Velcro-connected center seam that easily tears apart as players make their way onto the field.

After use, the two halves are simply reconnected and the entire banner is rolled up and stored in its own convenient travel bag until the next big game.
